

aSURE™ Fittings

The New Concept in Functional Design!

aSURE™ Fittings have been developed to address single-use connective applications where the most stringent hygienic practices are required.

Our unique approach to this design incorporates an elastomeric gasket with a rigid sanitary fitting, forming a one-piece, composite design.

Functional Benefits

- Ensures Proper Alignment
- Lowers Risk of Contamination
- Eliminates Lost or Mislaced Gaskets

The aSURE™ fittings are autoclavable, Gamma stable, certified animal ingredient free (ADIF) and medical grade.

Exclusive Fused Gasket Design

Patent Pending

Materials of Construction

Adapter Body; Polypropylene Gasket; Cellgyn™ TPE

Mini Sanitary X Hose Barb

F-AS-14MPHR075-125	Mini Tri-Clamp x 1/8" Mono Barb Adapter
F-AS-14MPHR075-187	Mini Tri-Clamp x 3/16" Mono Barb Adapter
F-AS-14MPHR075-250	Mini Tri-Clamp x 1/4" Mono Barb Adapter
F-AS-14MPHR075-375	Mini Tri-Clamp x 3/8" Mono Barb Adapter
F-AS-14MPHR075-500	Mini Tri-Clamp x 1/2" Mono Barb Adapter
F-AS-14MPHR075-750	Mini Tri-Clamp x 3/4" Mono Barb Adapter

1-1/2" Sanitary X Hose Barb

F-AS-14MPHR150X250	1-1/2" Tri-Clamp x 1/4" Mono Barb Adapter
F-AS-14MPHR150X375	1-1/2" Tri-Clamp x 3/8" Mono Barb Adapter
F-AS-14MPHR150-500	1-1/2" Tri-Clamp x 1/2" Mono Barb Adapter
F-AS-14MPHR150-750	1-1/2" Tri-Clamp x 3/4" Mono Barb Adapter
F-AS-14MPHR150-1000	1-1/2" Tri-Clamp x 1" Mono Barb Adapter
